Dedication

Since its conception, Youth for Christ, in Kansas City, has been blessed of God with outstanding leadership. A large measure of this organization's success has been due to the tireless efforts of the Board of Directors. At the helm of this Board works a man with undying enthusiasm for this ministry. He is admired, respected, and loved by all who know him. His personality is quiet like the tick of a tiny watch; yet his administrative part in this organization is loud like the gong of a giant steeple clock. Thus it is in appreciation to the Chairman of the Board of Directors for his interest, sacrifice, and wisdom, that we dedicate the 1963 CONQUEROR.

The supreme policy-making body of the combined clubs is the City Council. Consisting of over 150 members, it establishes and determines the plans and procedures of all-city functions. The Council this year was known for its excellent work in the area of Charter Club Standards. Also for the spirit in which these officers produced two successful Senior High Rallies. The first semester production was Roman Riot; and the second semester officers presented Night of Knights.

Many long hours were spent by the first and second semester Executive Councils in preparation for the numerous matters of importance which came before the Council.

Week-end Conference

Hundreds of week-end campers headed for the Memorial Dorm for a combination of fun, relaxation, provocative discussions, and lots of inspiration. Week-end Conferences are designed for individual clubs or officer's groups. The topics can vary from club know-how to teen relations. One of the greatest emphasis in both Junior and Senior High Conferences centered around leadership.

Conference

The annual Holiday Conference was held at the Central Missouri State Teacher's College in Warrensburg, Missouri, during the Christmas vacation. John W. Peterson wrote a special song -- "I've Chosen Christ" -- to fit the theme of this year's conference. Another high light was the Holiday Reception, where the 1963 CONQUEROR Queen and Royal Knight were chosen.

Mothers Club

Pleasant conversation at the speaker's table during the luncheon at the February meeting
 Al Metsker, Dr. Bob Smith (St. Paul Min.), Tony Fontaine (Hollywood, California), and Mary Johnson, President

One of the most unique and vital parts of YFC is the Mothers Club. These mothers and interested friends gather monthly to fellowship and to be inspired. Then they go back to their respective neighborhoods and suburbs to promote the ministry that is doing so much for their teen-ager or friend. Many of these mothers sponsor a YFC club in their area. Their responsibilities vary from assisting in the planning to providing transportation and refreshments, plus spiritual encouragement to each clubber.

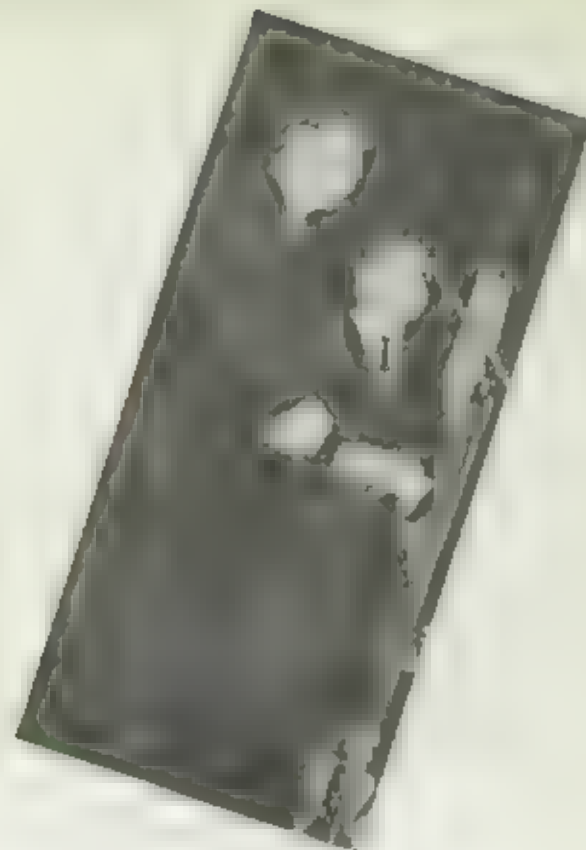

Leadership

Al Metker

Time has been a friend of Al Metsker, for time has meant the difference between success and failure. Although many other great men began with Al in the ministry of Youth for Christ around the world, Al Metsker is the only original Rally Director still going in this ministry. Often referred to as the oldest man in YFC -- in number of service years -- Al still presents the image of youth, drive, and enthusiasm. Looked to from across the nation, Al maintains the same spiritual desires and faith that helped him begin the work twenty years ago of winning youth for Christ.

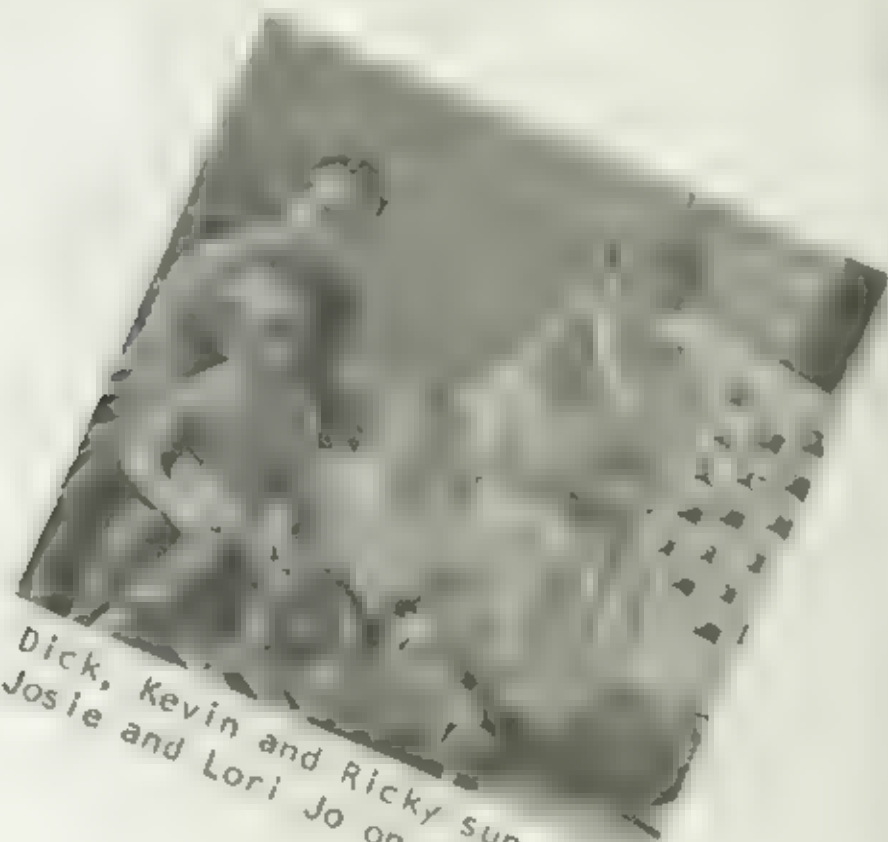

Al and Vicky with Ronnie, Martha and Marilyn

As a native son of Kansas City Dick Hatfield has a knowledge of its teenagers and a desire to win them to Christ. Dick has the drive necessary to perform his duties as Senior High club director and editor-in-chief of the CONQUEROR. It takes only a few minutes with Dick to realize that he is always ready for a laugh, but he is ever willing to counsel with a guy or gal who has a problem.. Loving every teenager, Dick has that personal touch that points Kansas City's teenagers to the Saviour.

Dick Hatfield

Bob and Carol are assisted by Bobby in the selection of a record

A young man with as many talents as Bob Palmer would be an asset to any organization, but Bob has chosen to put his talents to use in winning young people to Christ. Bob has worked hard as a club director as well as putting together musical numbers for the rallies. A favorite at many of the Youth for Christ parties is Bob's dummy, George, for Bob is an excellent ventriloquist.

Bob Palmer

With the new expanded program in Kansas City Youth for Christ this year, four new club directors were added to the staff, one of whom is Dave Koser. His enthusiasm and broad smile have won the hearts of Kansas City's teens. Dave is a veteran in Youth for Christ work, having served on the staff at Mansfield, Ohio, for four years. He has taken a particular interest in the quiz program in Kansas City and has become a vital member of the staff.

Dave Koser

Harry Johnson

From the control rooms of the WMBI radio station in Chicago came Harry Johnson to the club staff of YFC. This expert radio technician brought with him his YFC bride, Lois, and a pleasing personality. Although Harry had no previous experience in Youth for Christ, this year has been one of real success for Christ and the youth of Kansas City.

Leonard Rodgers

This has been a year of transition for Leonard Rodgers and the YFC staff. The past four years have been marked by laughs, prayers, and victories as Leonard organized and built one of the most scientific Junior High programs in the country. But the present and future calls for a change as Leonard leaves with his family to begin the work of Youth for Christ in Beirut, Lebanon.

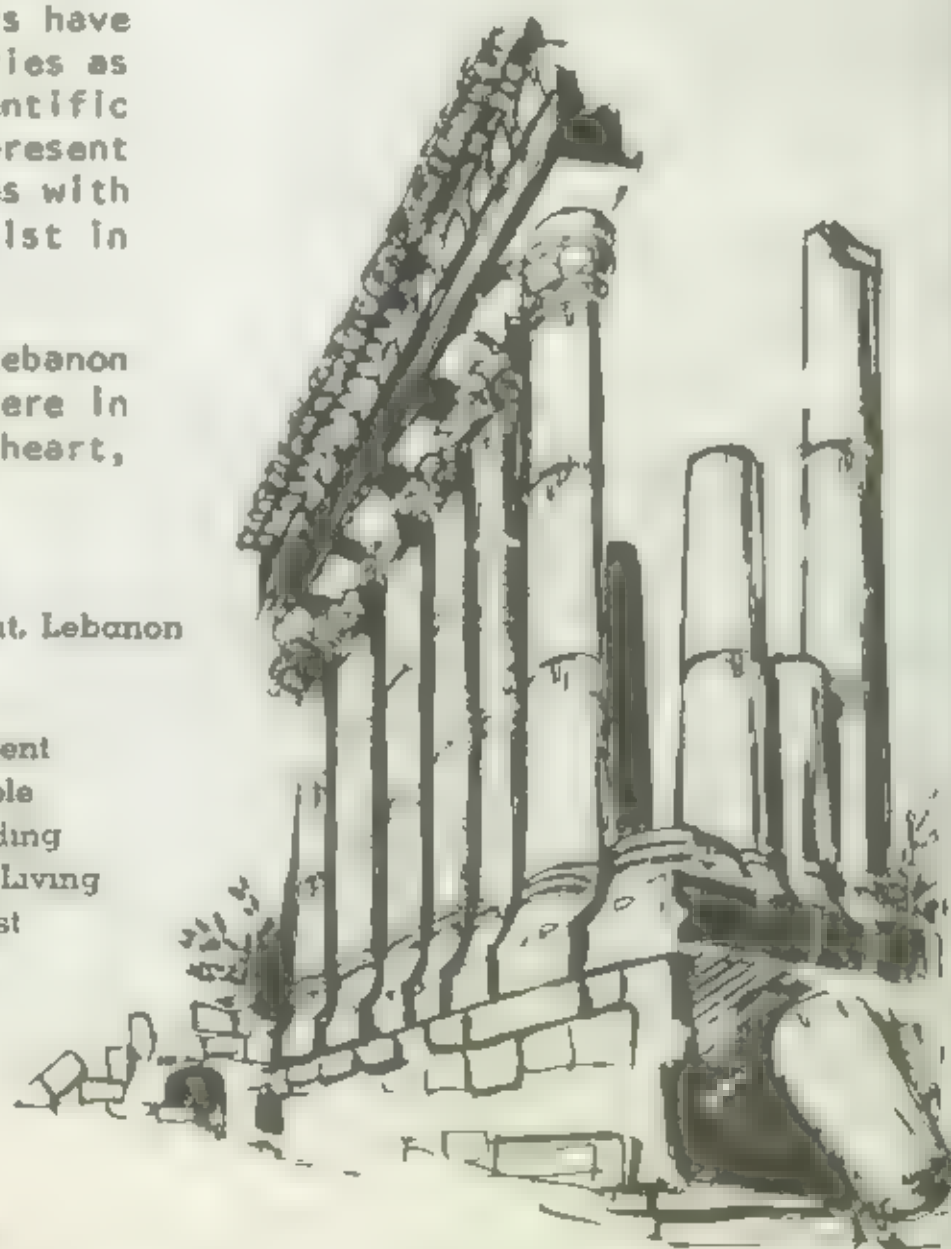

Bon Voyage, Len. The lives of teens in Lebanon will be changed just as hundreds of teens here in Kansas City are different because of your love, heart, and dedication.

Bob Cameron

The ever dramatic and different personality of Bob Cameron has made this YFC year very exciting. Bob has a sharp mind, full of ideas and a big heart full of love for his Junior High clubbers. A former pastor, Bob has found that this ministry is long, varied, and exciting, but also rewarding.

A graduate of Moody Bible Institute, Steve has been a helpful addition to the staff this year. In addition to being a Junior High Club Director and quiz master, he has been a tremendous help to the yearbook by taking thousands of pictures. Steve has come from Wichita to become a favorite of Kansas City's Junior High teenagers.

Steve Peterson

A telephone and a typewriter are two instruments used more by Jack Cousins than any other man on the staff. But they are not the most important things in his life by far. The Bible and prayer are the instruments which Jack uses at a moments notice, whether at a pastor's breakfast or a YFC Club.

Jack recently was asked to become the Executive Director of the Evangelical Ministers Fellowship. As usual, Jack proved the old adage -- if you want a job well done, give it to a busy man.

Jack Cousins

The music man of Youth for Christ is Albert Lane. This master of music plays the 88 keys to sound like 76 trombones. Often people ask if there is anything Albert cannot play. If there is, he has not seen it yet. For twelve years, this genial, gray-haired man has shown more spunk and enthusiasm with teens than many of the younger directors. Two ingredients mark his ministry. Where you find Albert, you find music and enthusiasm.

Albert Lane

Another veteran on the YFC Staff is Joe Jeffers. During the past three years in our print shop, Joe has produced quality work, either after careful planning or on a moment's notice. All of the promotion material, plus the tri-weekly Conquest are products of Joe's hand. Last but not least, the fabulous 1963 CONQUEROR stands as a monument to this man's ability.

Joe J. Jeffers

The careful work of Leona Hocklander makes the business office operate smoothly and effectively. A multiplicity of secretarial jobs are handled with a maximum of ability and a minimum of bother. In each of Leona's nine years, improvement has become the by-word in the business office.

Leona Hocklander

The responsibilities of Fern Richert are varied. When YFC's telephone is dialed, Fern's melodic voice will be heard, as she is the organization's receptionist. The film library is also handled by Fern through booking and billing of 350 films.

Fern Richert

Marge Palmer

As personal secretary to Jack Cousins, Marge has the task of corresponding with potential and previous YFC speakers across the country. Another area in which Marge performs her duties is the typing and lay-out of the Conquest.

Board

The spiritual welfare of every teen-ager is the principal concern of each member of the Board of Directors.

Consequently, the many activities and services provided by Youth for Christ are the result of thoughtful and careful planning.

Interpreting, implementing, and formulating policies pertaining to the area-wide ministries of YFC is the responsibility of the Board of Directors. Although individually they are businessmen, they nevertheless assume a particular area and work to promote and enlarge the scope of the organization's outreach.

Teen-g geared articles go out every three weeks to keep ten thousand clubbers and friends informed. Whether it is information about a new club, a new director, or the fabulous Spring Banquet, it can all be found in the Conquest.

Much of the work of editing the Conquest goes to Jack Cousins. However, Jack constantly uses the material written by the club directors. Every piece of news is presented to keep the public informed of the fantastic happenings around Youth for Christ.

Library

Serving the mid-west area with the best in gospel films is the goal of YFC's film library. This unique collection boasts of over 350 films for every occasion and for almost every need. Without a doubt, this is a vital part of YFC's ministry, whether in a club, rally, or church-related activity. A film for every purpose can be chosen from such widely known contributors as Gospel Films, Inc., World Wide Films, Family Films, and Moody Films. The titles range from "Windows of the Soul" to "Wiretapper."

Each teenager is counseled with personally

Follow-up

Each convert that makes a decision for Christ in a Rally or Club meeting is immediately followed-up. This process is being changed each year to a system of letters and lesson supplements plus the personal interest of the counselor, club director, and pastor. The responsibility of this "follow-up team" is to teach each new convert how to read the Bible and pray every day. Also, they are guided in the selection of a Christ-exalting church.

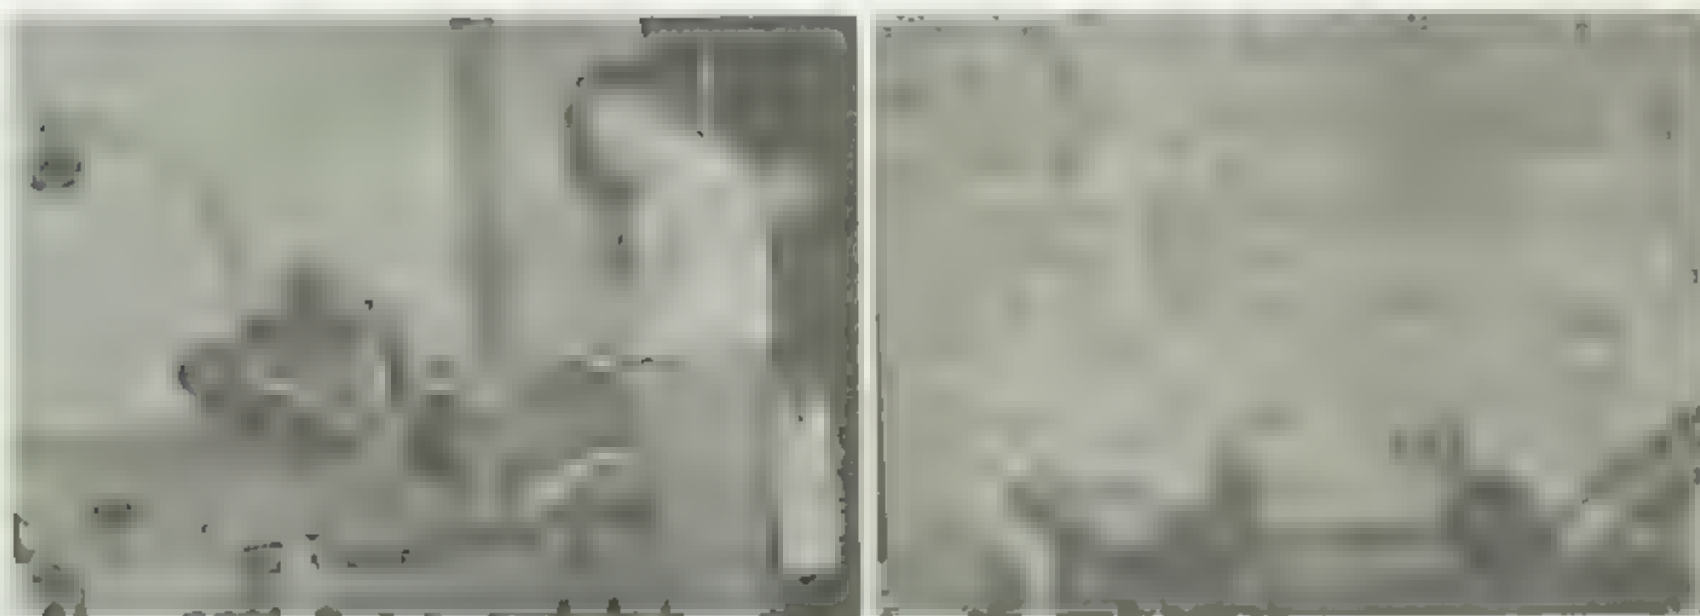

Club officers assist the convert in his Christian life

Director's wives talk to the new converts following their decisions

Print Shop

At least once a week word is received from across the nation complimenting our organization on its promotional material. The 1962 "Award-Winning" print shop produces some of the most unique and outstanding printing found anywhere in YFC circles. Without a doubt, Joe Jeffers, Printer, deserves all the credit for his par-excellence productions that carry the ministry of Youth for Christ throughout the entire mid-west area.

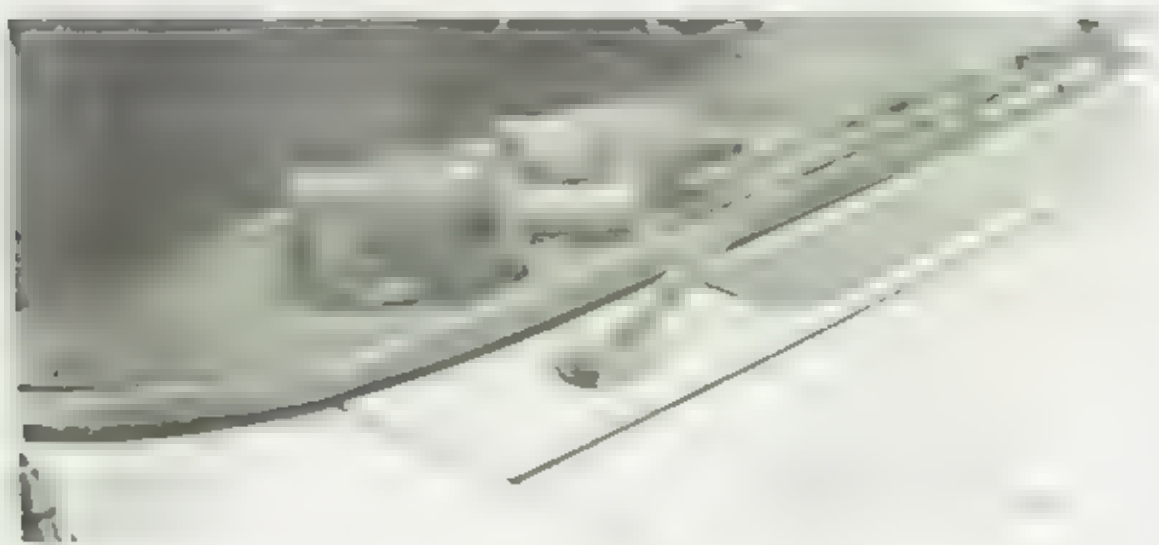

YFC Hour

The best in radio can be heard every morning on the YOUTH FOR CHRIST HOUR. This ministry is now in its twelveth year with the familiar voice of Al Metsker presenting the Word of God and Albert Lane playing the vibrant hymns of the Church. Those in the know "start the day right" with the Youth For Christ Hour.

Campus

A new dimension in sound came to Kansas City this year with the addition of the Saturday CAMPUS program. This teen-geared thirty-minute program is loaded with the latest in everything from fashion and etiquette to program and party ideas. The music each Saturday runs the gamut, from entertainment to solid worship. Teens, of course, are featured regularly both from Kansas City and the nation. If teens are involved, it will be mentioned on CAMPUS--the product of teens and directors in the YRC Club Department.

Acknowledgements

.....And there is just enough time as we travel down this last mile on the turnpike of time through the 1963 CONQUEROR to stop and tip our hat to eight men who helped make this a most pleasant and unique trip.

First and foremost, to our photographers--club, candid, and color--our heartiest thanks. To Mr. Neal Bartley, of Student Picture Service, for the use of his equipment and excellent processing of our individual club pictures; to Mr. Steve Peterson, of the YFC Staff, for his many hours of bravery and seclusion in producing the many timely candid shots; to Mr. Roger Atzenweiler, of Atzenweiler Studios of Kansas City and Prairie Village, for the excellent color portraits that will stand the test of time in quality and subject.

Our gratitude for outstanding separation of our color photography goes to Mr. Jud Cooper, of Color Graphic Company, for his generous spirit and artistic ability in making film become life-like. And to Mr. Jim Wakefield, of Dependable Plate Company, for his assistance in making the color plates.

Many thanks also to our friend of fourteen years, Mr. Elmer Moyer, of Interstate Bindery, for understanding about limited budgets in the production of the cover and binding.

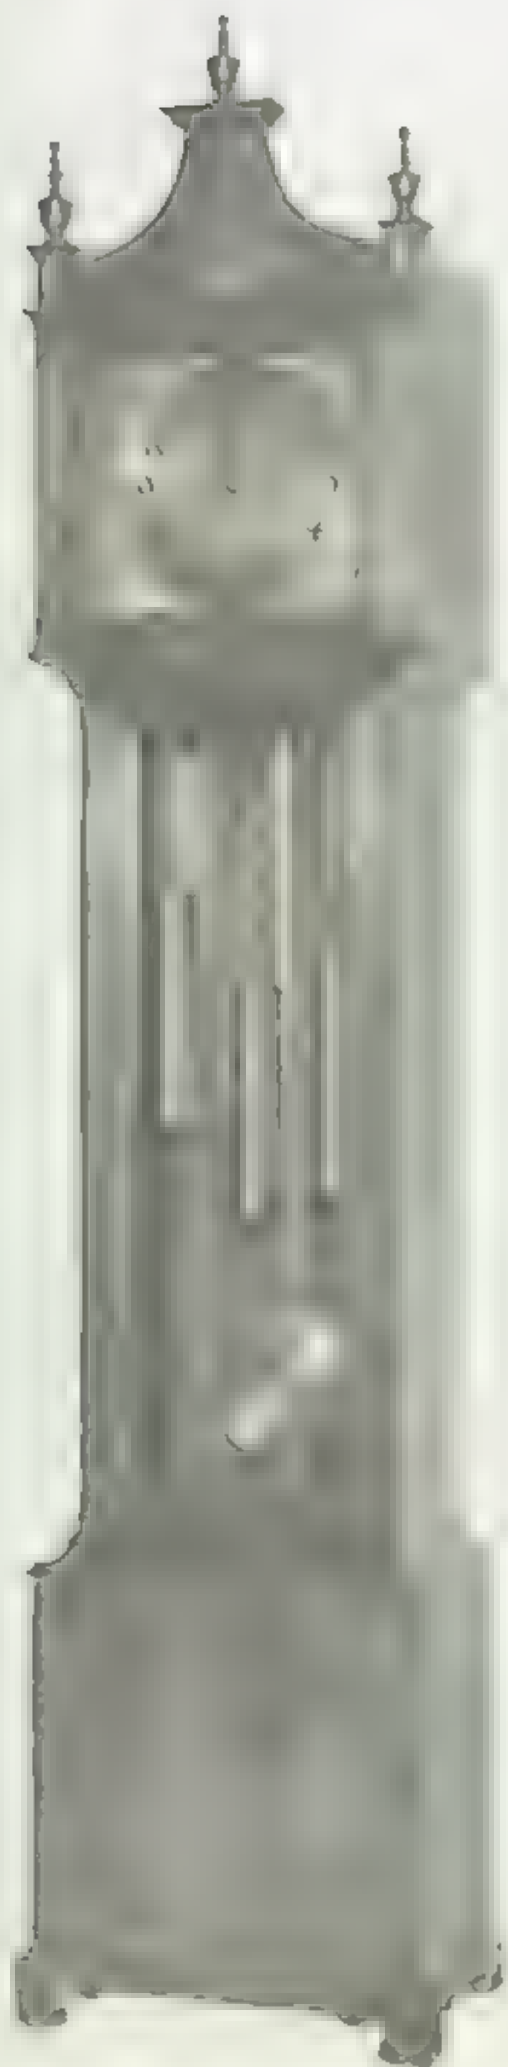

Without the sacrifice, heart, and selfless energy of Joe Jeffers, this book would not be possible. It is hard to express our feeling except to say "thank you."

To Mr. Ron Wilson, Editor of the YOUTH FOR CHRIST MAGAZINE, for his criticism and challenge to make this a truly daring and different annual.

And now just this personal note to Miss Martha Metsker, whose tireless assistance in planning, promoting, and prying makes this the finest publication to ever come from our organization.

And to each staff member, the Board of Directors, and our loyal advisor, Rev. Al Metsker, thank you.
